Cooking Team Information

- We anticipate 1500 Attendees over the course of the day, especially if the weather is good! Word has been spreading fast about this event, and it may possibly be more!
- Each Team must be prepared to serve, at a minimum, 500+ samplings of food. The idea for individual teams in regards to quantity of sample served is, "Feed 'em; Don't fill 'em!" We will

not restrict any team from making large serving sizes, but please be aware of the fact that we may experience large attendance. Use your judgement when planning!

- **Cooking Teams MAY NOT serve Alcohol to any event-goers!** AADE will be providing alcohol to ticket-holders of age, and will have TAM-certified volunteers managing the Beer Garden. Cooking Teams are entitled to the same alcohol that will be provided to ticket holders (Beer and Wine). Cooking Teams are also allowed to bring their own alcoholic beverages to the event and consume them at the event, but they must remain for the consumption of the team only!
- Each Team is responsible for supplying:
 - All Booth Supplies: Tables, chairs, booth decorations, canopies, etc. (Booth Dimensions will be a minimum of 20' wide (front) x 20 – 25' deep)
 - All serving bowls/plates, napkins, plastic silverware necessary for your food items
 - Minimum of 1 (one) large trash container to be placed in front of each booth, with a sufficient supply of heavy-duty bag liners
 - Grills, stoves, chuck-wagons, and other necessary cooking and heating equipment. (Please inform AADE if special accommodation may be necessary due to size of equipment planned)
 - If propane will be utilized:
 - **Tank must be connected to grill/heating element with a MINIMUM 10 FT long propane hose**
 - **Tank must be secured to the grill and kept off the ground. If unable to do so, the tank must be placed in a container to keep it out of direct contact with the ground. The tank must be kept 10 FT away from the flame, and the hose must be secured to the ground to prevent a tripping hazard. Past experience has shown that Duct Tape is quite effective. Cooking Team will be responsible for providing container and duct tape**
 - If cooking oil will be utilized:
 - **Please ensure that you bring a container to safely dispose of used oil. Due to temperature, it may be left at Unique overnight/over the weekend, but it must be picked up first thing on Monday after the event for disposal**
 - **At least one fire extinguisher must be maintained at all booths. Anchorage Municipal Fire Regulations mandate that each booth must have a 2A10BC Fire Extinguisher that is tagged/certified within 1 year of the event date**
 - **If cooking oil is being utilized, the cooking team must additionally retain a Class-K Fire Extinguisher (Silver)**
- Booth trash disposal will be performed by AADE Volunteer Crew during the course of the event
- AC Power will not be made available. If your booth will require power for either entertainment, cooking or serving, you may bring a generator and place it behind your booth (quieter models are requested)
- Each Team should plan on having people at Unique Machine to begin set-up of their booth by 9:00 – 11:00 AM on the day of the event. **Vehicle Access to the Booth Areas will end at 2:00 PM SHARP!**
 - Please inform AADE if you intend to arrive the day before the event to stage materials at your designated booth space. We will confirm with Unique Machine that it is permitted. However, in years past, Unique Machine has permitted it at the risk of the cooking team. Unique Machine will not be responsible for any damage or theft of items/materials left overnight

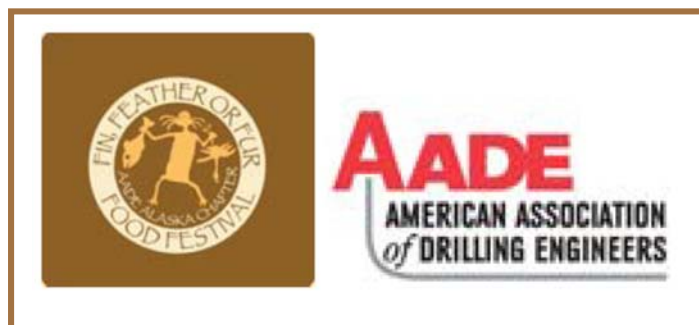

- Each team is responsible to clear/dispose of their leftover food, cooking oils, coals, etc. Clean up, and departure from the premises is required by 8:30 – 9:00 PM
 - Please inform AADE if your team intends to use Hot Oil. If so, please ensure you have a plan for disposal of Hot Oil after the event
 - Food that is still in sealed containers may be donated to local food banks. Any prepared food or food in containers that have been unsealed will not be accepted by the local food banks as donations
- Trophy/Prizes will be awarded promptly at 7:45 PM
- Additional Event Details will be communicated to all registered teams prior to the event. Any changes in information will also be relayed to teams in a prompt manner to facilitate planning

Want to register, but don't have all your team details figured out? DON'T WORRY! Complete the attached form with your basic information and our committee will coordinate with you. Don't forget to consider Sponsorship Opportunities as well!
